The Kent Working Spaniel Club is delighted to announce that we will be hosting a morning Workshop Training Clinic on Sunday, 12 May 2024 from 09:30am to 12:30pm.

This is a fantastic opportunity aimed at Novice Handlers with their spaniel from 9 months of age. The workshop will guide you as to what to expect when handling your dog, whether in the shooting field, working tests, or field trials.

Our guest trainer for the Workshop is Chris Burns, a full time and talented Professional Gundog trainer with a wealth of knowledge and expertise. Chris has written articles for various publications including the Shooting Times. A devoted working spaniel enthusiast, Chris shares his knowledge most generously in an encouraging and friendly manner.
